

To Whom It May Concern,

This document certifies that all insulation products manufactured by Dragon Jacket Insulation are fully produced within the United States of America. We hereby confirm our compliance with the standards and requirements set forth by the Build America, Buy America Program.

Our products are designed, developed, and manufactured with the highest quality materials and processes, ensuring that they meet the stringent standards required for participation in American infrastructure projects.

This certification is provided to affirm our commitment to supporting the American economy and workforce, in alignment with the goals of the Build America, Buy America Program.

Should you require further verification or details regarding our compliance, please do not hesitate to contact us.

Sincerely,

Todd Peretti, CEO
